Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Agreement was reached to correct the punctuation of claims 25 and 26 by examiner's amendment. Further, the inadvertant clerical error in claim 25, line 14 where a passage already deleted in a prior amendment is repeated again, as shown by strike-through, was discussed and it is obviously not a part of the scope of claim 25 and is to be ignored.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
